**EXPLANATION**

- Coal or lignite mines and permitted areas
- Power plant (coal, including lignite, and other fossil fuels)
- Power plant (coal, not including lignite, and other fossil fuels)
- Power plant (other fossil fuels only)
- Power plant (nuclear power)
- note: other fossil fuels include, but are not restricted to, natural gas, fuel oil, and liquefied petroleum gas (LPG & LPG)
- Urban areas
- Railroads
- Highways and major roads
- Federally managed lands
  - Department of Defense
  - National Forest Service
  - National Park Service
  - National Fish and Wildlife Service
  - Tennessee Valley Authority
  - Bureau of Indian Affairs
